Dec 20, 2025

ABIGAEL KALUNDE SILA

has successfully completed the online Professional Certificate

Meta Android Developer

This Professional Certificate teaches learners top Android programming languages and frameworks. By completing this program, learners are able to create their own Android application and publish it to the Google Play Store.

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
